

# Louisiana Center for Safe Schools: Grants and Physical Security Assessments

This course is designed for Emergency Managers and K-12 Educators to attend at **no cost**.

## Day 1 – LCSS Grants

(4 hours - Robbie Martin, Melissa Murphy, and SDMI)

This class is designed to educate parish emergency managers and school officials on the funding opportunities for security enhancements or measures for schools and nonprofit organizations at risk of threats or acts of violence, terrorist attacks, or other extremist attacks. It will also review the application process and other key components of the grant, with an overview of navigating GMPRO and the GMPRO splash page.

## Day 2 – Physical Site Assessments

(4 Hours - Noel Bellas)

This class demonstrates how taking a systems-based approach to school physical security assessments, which can help schools create safe and secure learning environments – without requiring school staff to become security experts or compromising the broader educational mission.
